**MISSION STATEMENT**

*“Our mission is to promote the educational, physical, and social development of youth in Plainfield through organized tennis and activities that will help them reach their fullest potential in tennis and in life. Our comprehensive programs will be educational and affordable for every interested participant.”*

~~~~~

We are involved in the USTA Schools and the USTA National Junior Tennis and Learning programs.

DVBTEF also hosts USTA sanctioned junior tennis tournaments, as well as Town Tennis matches that provide all levels of competition among young people from neighboring towns.

DVBTEF also provides opportunities for our young people to attend get-away camps and workshops to meet youth from other cultures and garner experiences and opportunities to help them reach higher levels in tennis and beyond.

The DVB Tennis & Education Foundation is a non-profit, 501(c)(3) tax-exempt, member organization. Our programs are funded solely through your participation and contributions. Your donations are welcomed and are 100% tax-deductible. Please consider us when it comes time for your annual giving. Visit our website or contact us for more information.
